

10th Slovenian Conference on Graph Theory

SICGT'23

18-24 June 2023
Kranjska Gora, Slovenia

sicgt.si

SICGT23@mf.uni-lj.si

Plenary Speakers

Csilla Bujtás, *University of Ljubljana, Slovenia*
Edwin R. van Dam, *Tilburg University, The Netherlands*
Zdeněk Dvořák, *Charles University, Czech Republic*
Michel Lavrauw, *University of Primorska, Slovenia*
Karen Meagher, *University of Regina, Canada*
Torsten Mütze, *University of Warwick*
Dieter Rautenbach, *Ulm University, Germany*
Gordon Royle, *University of Western Australia*
Pablo Spiga, *University of Milano-Bicocca, Italy*
David Wood, *Monash University, Australia*
Anders Yeo, *University of Southern Denmark*

Minisymposia

Algorithmic Graph Theory, Applications of Graphs in Algebra, Linear Algebra, and Functional Analysis, Association Schemes and Related Algebras, Chemical Graph Theory, Combinatorial Designs and their Applications, Configurations, General Session, Graph Colorings, Graph Domination, Metric Dimension and Related Topics, Structural Graph Theory, Symmetries of Graphs and Related Structures

Scientific Committee

Sandi Klavžar, Dragan Marušič, Bojan Mohar and Primož Potočnik

Organizing Committee

Katja Berčič, Vesna Iršič, Borut Lužar, Tilen Marc and Primož Potočnik

ORGANIZED BY: University of Ljubljana, Faculty of Mathematics and Physics
with: Institute of Mathematics, Physics and Mechanics,
University of Primorska, University of Maribor and Abelium d.o.o.
